The world is a sadder place today, my mother Passed away, I am lost in this fog, and I am hoping someday she will lead me out, when you see my Dad in heaven, please tell him that, as it will be with you, not a day goes by without me missing him,Thanks for always being there for me Mama, I dont know what I will do now that you are gone, I will try, and with the help of God the days will perhaps be a little less painful.
